Student Standard Operating Procedures (SOPs)

(Mandatory for All Enrolled Students)

1️⃣ Purpose of These SOPs

These SOPs are created to maintain a **disciplined, respectful, and productive learning environment**.
Every student is required to read, understand, and follow these rules sincerely throughout the course.

Failure to follow SOPs may affect:

- Learning progress
- Internship eligibility
- Access to future opportunities

2️⃣ Laptop Requirement (Mandatory)

- A **working laptop is compulsory** for this course.
- Mobile phones are **not sufficient** for:
  - AI tools
  - Editing software
  - Automation workflows

Minimum requirement:

- Laptop (Windows or macOS)
- Stable internet connection

⚠️ Students without a laptop will **not be able to participate effectively** in practical sessions.

3️⃣ Attendance & Punctuality

- Students must join classes **on time**.

- Regular attendance is expected.
- Repeated absence without valid reason may lead to:
  - Warnings
  - Removal from internship consideration

Learning consistency is essential for skill development.

4️⃣ Participation & Learning Responsibility

- This is a **skill-based program**, not a lecture-only course.
- Students are expected to:
  - Actively participate in sessions
  - Follow instructions carefully
  - Ask questions when confused

Learning happens through **practice**, not passive listening.

5️⃣ Assignments & Practice Work

- Assignments and practice tasks will be given regularly.
- Completing tasks is essential for:
  - Skill improvement
  - Confidence building
  - Progress evaluation

Incomplete or ignored assignments may limit future opportunities.

6️⃣ Discipline & Professional Conduct

All students must:

- Maintain respectful behaviour
- Avoid unnecessary disturbances during sessions
- Communicate politely with trainers and peers

This course prepares students for **professional environments**, so professionalism is mandatory.

7️⃣ Ethical Use of AI & Content

Students must:

- Use AI tools responsibly
- Avoid plagiarism or copying others' work
- Create original content and ideas

Any misuse of tools or unethical behavior may result in removal from the program.

8️⃣ Internship & Growth Opportunities

- Internship opportunities are **performance-based**, not automatic.
- Selection depends on:
  - Discipline
  - Attendance
  - Skill progress
  - Attitude toward learning

SparkUp Creative reserves the right to decide internship eligibility.

9️⃣ Communication & Updates

- All official updates will be shared through designated channels (WhatsApp group / email).
- Students are responsible for staying informed.

Missing updates due to negligence will be the student's responsibility.

🔟 Exit & Removal Policy

- Students may leave the program voluntarily at any stage.
- SparkUp Creative may remove a student in case of:
  - Repeated indiscipline

    - Misconduct
    - Non-compliance with SOPs

No penalties apply, but future benefits and opportunities will be discontinued.

🌱 Final Note to Students

This program is an **opportunity**, not a shortcut.

SparkUp Creative will provide:

- Guidance
- Structure
- Support

But your growth depends on:

- Discipline
- Consistency
- Willingness to learn

Take this seriously, and it can shape your future.
